Miscellaneous Business
- Gerald Williams presented the following made the following statement. "The Lord has opened a door of ministry for the churches of the New South River Baptist Association. We have responded in force to this opportunity with dozens of volunteers from our association including two teams which will be leaving this week. Together, we are committed to building a church in Pearlington, Mississippi, and along with North Carolina Baptist, we will be involved in re-building 500 houses. So far, the need for a place to sleep and food to eat has not posed a problem for our workers. There is a great need however for hot water and shower facilities. With this in mind, I therefore make the following motion.

1. That the association call upon its churches, led by the brotherhood to raise money for and to purchase a 24 ft trailer that will contain four shower units (being separated for male/female privacy) 4 lavatories, 2 hot water heaters, and an area for a washer and dryer. The cost of the unit will be approximately $8,500.00 - $10,000.00
    a. Plumbing materials and labor for outfitting has already been donated.
    b. We further recommend that the association assume responsibility for upkeep, storage, assignment of usage and the policy for and procedures for its use.

The motion was seconded.
Chad Lingerfelt made an amendment to the motion. "That the association immediately proceed and purchase the trailer with showers. The churches would be challenged to give $100.00 each to give back to the association. The amendment to the original motion was seconded.
Discussion followed concerning the proper procedures for presenting this motion, the liability, the availability of funds, and the need to further study the matter by appropriate committee/program agency.
Bob Lewis made the motion that the matter be tabled. The motion died for a lack of a second.

A motion was then made to call for the question. A second was made and the motion calling for the question passed.
- A vote was taken on the amendment to the motion as mentioned above. The amendment passed.
- A vote was then taken on the original motion as amended. The motion passed.

Inspirational Period
- Special music was presented by the Mount Elam Baptist Church.
- Robert Ivey presented a power point presentation on the need to go to help the people of Pearlington, Mississippi based on the Book of Nehemiah. 1) There was a survey of the damage, 2) There was a desire to rebuild 3) He served as a doer, 4) He surmounted the delayers and 5) He completed the task.

Dr. White spoke that the focus of the association comes from its churches. He asked the question "What is a mission minded church?" To be mission-minded, there must be two parallel tracts, the earth link and the eternal focus. He challenged the churches to be open to participating in 3 new language works. Fifty churches are needed to partner for two years commitment.

Bob Lewis challenged the people to give a free-will offering toward the shower trailer unit. Over $2,000.00 was collected.

Rev. Doug Bartlett closed with prayer from Ephesians 1. A period of fellowship followed.
